

For our furry guests and their owners

Pets are very welcome to Hotel Regatta

Pets are allowed to move through the reception and in general in the hotel, but are not allowed to join their masters for drinks or food in the lobby area. You may however take your furry friend to one of our cosy terraces

Pets have their own price list and we charge €25 / pet / night to cover the extra cleaning needed after their visit.

The owner of the pet is responsible for all possible damage the Pet can cause to the hotel and commits to cover any damages caused by the pet.

The pets are allowed only in rooms dedicated for pets. Pets are not allowed to be left alone in the room. If there, however, is an urging need to leave the pet alone please keep it in its cage or coupled in order to avoid damage

Our personnel is happy to help you find nice dog walks

We hope that both pets and their owners will enjoy their stay.
